

SAVVIS

SAVVIS is a global leader in IT infrastructure services for business applications. With an IT services platform spanning North America, Europe, and Asia, SAVVIS leads the industry in delivering secure, reliable and scalable hosting, network and application services. These solutions enable customers to focus on their core business while SAVVIS ensures the quality of their IT systems and operations. SAVVIS' strategic approach combines virtualisation technology, a global network and 30 data centres and automated management and provisioning systems.
