

K International

K International is one of the first translation service providers to integrate with Zanzibar, the strategic collaborative procurement system delivered by ProcServe on behalf of the UK Government. K International's Translation Service Framework is now available to all public sector organisations in the UK through Zanzibar.

By utilising Zanzibar's capabilities, K International hopes to enable the following benefits:

- lower transaction costs
- improve transparency with the provision of more coherent
- standardised management information
- streamline the purchasing process across all Government clients
- improve invoice handling and reduce errors
- improve communication of special offers and new pricing plans
- provide a safe trading environment for all of their customers
control their own information such as marketing and catalogues
- paperless procurement process, which is part of the CSR accreditation, required by K International.
